September 16, 2026

October 21, 2026

November – no meeting

December 16, 2026

The Keep Lakewood Beautiful (KLB) organization was created in September 1982 to promote civic involvement through public interest in the general improvement of the environment of Lakewood. The volunteer board initiates, plans and coordinates programs for litter prevention, solid waste reduction, recycling and green space beautification. New programming is always being developed, and new volunteers are always welcome.
