Public Hearings
&
Public Comment Period

Background

Every five years the City of Lakewood prepares a Consolidated Plan as a condition of receiving federal Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), and HOME Investment Partnerships Program (HOME) funding from the U.S. Department of Housing & Urban Development (HUD.) The Five-Year Consolidated Plan is carried out via (5) One-Year Action Plans which serve as the City's annual funding applications to HUD.

Based on a thorough analysis of market conditions and available resources, the Consolidated and Action plans identify and prioritize community and economic development needs; describe the strategies, activities, and resources that will be utilized to address high-priority housing, human services, infrastructure, neighborhood revitalization, and homelessness needs; and establish accomplishment goals and objectives in these areas.
