She is asking if KLB is willing to present at one of these learning sessions at one of your Adopt-a-Spots. AM replied, yes! AAS – Betsy’s spot at Wager Park is a great first option!
- Asked Jill if city is applying for KAB Cigarette Litter Prevention & Recycling Program (CLPR) grant. She checked, they are not because city does not have the man power to empty the bins. She suggests if we want to peruse this, we do it with the business.
