## Welcome & Comments:

June Mtg. Minutes Approval

## Business

New Board Member Vote - Melinda

Home Award Program/Voting

Milkweed Garden

AAS Updates

Clifton Blvd Gateway Project

Pop Up, Pick Up, Pour Up Update - August 30, 2023

### **August is Great Lakes Friendly Restaurant Month**

The Great Lakes Friendly Restaurant program helps reduce plastic consumption at its source - at restaurants and bars.

We're building an inclusive community of eco-conscious restaurants, activists, and patrons that support a healthy lifestyle for ourselves and our planet. We hope you will join us!

#### **Mandatory Criteria:**

1. Only reusable foodware is used for onsite dining.
2. Paper straws are provided only upon request.
3. No expanded polystyrene use (aka Styrofoam).
4. No plastic bags are used for takeout or to-go orders.
5. Single-use utensils, straws, condiments, and other accessory items are provided only upon request.
6. Beverages are not sold in plastic bottles.
7. Proper recycling practices are followed.

Help us identify restaurants who may qualify by [filling out this form](#).

[Learn more about GLFR](#), or email Val Flors at [chair@northernohio.surfrider.org](mailto:chair@northernohio.surfrider.org).
