Old Business

Pop-Up, Pick-Up, Pour-Up Update – 3/29 Should we add another one for May 31?

Everyone agreed it was a good idea to plan a P,P,& P for May 31st.

Agnes and Tony agreed to work on it together. The Pour-Up location suggested is the Field House (Hird and Detroit). Plenty of parking behind Value World. Agnes and Tony will check out the Field House and confirm their interest.

New Business

New Board Member Vote -*Vote was deferred until an application is received, shared with the Board, and Shellie can attend a meeting. Melinda said that she intended to formally apply for membership (yay!)*

School Education Program Update – *Hannah G. and Agnes shared that the sessions have been really good – we discussed how to increase involvement with the schools.*

Earth Day/Clean-Up April 29 Agenda – *Agnes reported that Addicted (the coffee place) no longer has its coffee truck – the owner is going to try to get a truck... may look into Phoenix; schedule of meeting at the Garage at 8 AM on 4/29 was confirmed; Tish volunteered to help Tony transport the planted trees from Lakewood High to Madison (using her son's truck).*

AAS Update – *a new garden is being established at Madison Park in the sign box; seasoned gardening volunteers are needed for several current locations.*

Humus/Flower Sale Update – *Joe asked Nancy to confirm the amount of humus that was ordered last year as he wants to adjust the request for this year to a lesser amount; Ruth is working with Kathy Lawrence and Laura Cannon to order plants from Sunbeam again this year.*

Pollinator Garden Meeting Update – *Melinda reported that the meeting with Mark and his friend went very well, but that the City's plan to redesign the lakefront access has put the pollinator garden location there on hold.*

See you all **SATURDAY April 29th at MADISON PARK** – meet at **CITY GARAGE to LOAD** and **TRANSPORT at 8:00 AM.**

Meeting adjourned at 6:30 pm

Next Meeting: **June 21st @ 5:30 PM at Cove Community Center**
