COMMUNICATION

5. **Docket No. 09-17-17**

Proposed Changes to Chapter 1161, Conditional Use Permit to Allow the Operation of Medical Marijuana Businesses

The Department of Planning and Development will deliver a communication regarding the proposed changes to Chapter 1161, Conditional Uses, to conditionally permit medical marijuana business operations in the City. City staff is anticipating a referral from City Council to the Planning Commission at its September 5, 2017 meeting. (Page 9)

Bryce Sylvester, Kevin Butler, Katelyn Milius, and Michelle Nochtla were present to explain the proposed changes, focusing on policy.

Some of the comments and inquiries from the Planning Commission members were as follows:

- Why was there a 30 day delay between submission of the application and payment of the \$25,000.00 fee?
- What if a church or other prohibited business moves within the 500 foot radius?
- Are buffers from neighboring cities accounted for in the zoning map?
- Are there responsibilities for landlords who would rent to dispensary businesses?
- Does the security plan include off-site parking? The Chief of Police should weigh in on safety of parking (including off-site).
- Could there be multiple medical marijuana businesses in the same building?
- Should there be an annual review of the conditional use?
- Should the business be allowed in a C-1, Commercial, Office district?

Public comment was taken.

A motion was made by Mr. McMahon, seconded by Mr. Coyne to **RECOMMEND TO CITY COUNCIL with the following changes:**

- **There is a 500' buffer zone.**
- **Reconcile the City's definition of church versus places of worship.**
- **In 1165.06 - remove "standard", "standard", and "typical" from the verbiage.**
- **Review changes in respect to the off-site parking safety in sections 779 and 1165.**
- **The last sentence is struck from 1165.03(d).**

All of the members voting yea, the motion passed.

779.07 ISSUANCE OF MEDICAL MARIJUANA DISPENSARY LICENSE.

(a) Within five days of receipt of an application for a medical marijuana dispensary license, the Director shall notify the Commissioner and the Chief of such application. In making such notification, the Director shall request that the Chief promptly investigate the information provided in the application and shall request that the Chief and Commissioner promptly inspect the premises for which the medical marijuana dispensary license is sought in order to assess compliance with the regulations under their respective jurisdictions.

(b) The Chief and the Commissioner shall begin their respective investigations and inspections promptly upon receipt of notice of an application from the Director. The Chief and Commissioner shall provide the results of their investigations, including written certifications of whether the premises and applicants are in compliance with the laws and regulations under their respective jurisdictions, to the Director, in writing, within 60 days of receipt of notice of the application.

(c) The Commissioner's inspection of the premises for which a medical marijuana dispensary license is sought shall include an investigation as to whether the premises are in compliance with the Ohio Basic Building Code, the Lakewood Zoning Code, the Lakewood Property Maintenance Code, and the provisions of this chapter related to physical characteristics of the premises.

(d) Within 90 days after receipt of a completed medical marijuana dispensary license application, the Director shall approve or deny the issuance of a license. The Director shall approve the issuance of a license to an applicant unless he or she determines that one or more of the following findings is true:

(1) An applicant who is a natural person is under 18 years of age.

(2) An applicant has failed to provide information reasonably necessary for issuance of the license as requested on the application form, or has falsely answered a question or request for information on the application form.

(3) No person identified in the application pursuant to Section 779.06(b) or Section 779.06(c) of this chapter has been denied a license to operate a medical marijuana dispensary or has had a license to operate a medical marijuana dispensary revoked within the preceding 12 months by any jurisdiction.

(4) No person identified in the application pursuant to Section 779.06(b) or Section 779.06(c) of this chapter has been convicted of a disqualifying offense.

(5) The proposed medical marijuana dispensary would violate or fail to be in compliance with any provisions of the Lakewood Zoning Code, Property Maintenance Code or General Offenses Code, or state statute or regulation.

(6) The application and investigation fee or a prior license fee required by this chapter has not been paid in full.

(7) An applicant is in violation of or in not in compliance with any provision of this chapter, except as provided in subsection (e)(1) of this section.

quirement that the licensee correct all deficiencies specified within 120 days of the date the license is issued:

(1) The results of inspections of the premises by the Chief or the Commissioner indicate that the premises are not in compliance with applicable laws and regulations under their respective jurisdictions, including the provisions of this chapter related to characteristics of the physical premises. This subsection shall not apply to premises that are in violation of any law or regulation that is identified or referenced in subsections (d)(1) through (d)(7) hereof.

(2) An applicant is overdue in payment to the City of taxes, fees, fines, or penalties assessed against or imposed upon him or her in relation to any business, which are not the subject of a pending appeal or other legal challenge.

(f) If the Director determines that no other grounds for denial of a license exist under subsection (d) hereof, the Director shall not delay approval of the application past the end of the 90-day period provided in this section solely because the Chief has not provided the Director with the results of his inspection of the premises; the results of the Commissioner's inspection of the premises are not available; or the Chief has not completed his investigation of the criminal background of the applicant(s). If, after approving the issuance of a license, the Director receives information from his investigation which he determines constitutes grounds for denial of a license under subsection (d) hereof, then the medical marijuana dispensary license issued pursuant to this subsection (f) hereof shall be immediately revoked. If after approving the issuance of a license, the Director receives information concerning the results of inspections of the premises by the Chief, or the Commissioner's inspection, which the Director determines constitutes grounds for the issuance of a license subject to a requirement to correct deficiencies under subsection (e) hereof, then a requirement shall be added to the terms of the medical marijuana dispensary licenses issued pursuant to this subsection (f) hereof to correct all deficiencies noted within 120 days of the date such requirement is added.

(g) A medical marijuana dispensary license, if granted, shall state on its face the name of the person or persons to whom it is granted, the expiration date, and the address of the licensed medical marijuana dispensary. All medical marijuana dispensary licenses shall be posted in a conspicuous place at or near the entrance to the business so that they may be easily read at any time.

(h) The Director shall advise the applicant in writing of the reasons for any license denial.

779.10 EXPIRATION AND RENEWAL OF LICENSE.

(a) Each license issued pursuant to this chapter shall expire one year from the date of issuance and may be renewed by making application as provided in this section. Application for renewal shall be made no more than 90 days and no fewer than 30 days before the expiration date. If application is made fewer than 30 days before the expiration date, the license will not be extended pending a decision on the application, but will expire on its normal expiration date.

(b) An application for renewal of a medical marijuana dispensary license shall be submitted to the Director on a form provided by the Director. The renewal application may request and the applicant shall provide such information as reasonably necessary to enable the City to determine whether the applicant meets the qualifications established in this chapter. The completed renewal application shall describe any changes or additions to, or deletions from, the information provided in the applicant's initial license application pursuant to Section 779.06 of this chapter. The completed renewal application shall be accompanied by copies of any document or material submitted in connection with the initial license application that has been revised or requires revision to reflect any change in circumstances or conditions.

Sketches or diagrams and security plans submitted with an initial medical marijuana dispensary license application may be resubmitted with subsequent renewal applications, provided that the applicant certifies in writing that the sketch or diagram and security plan still depict the premises and plan accurately.

(c) The Director shall make determinations concerning the approval of license renewals based on the same criteria used to evaluate applications for new licenses under Section 779.07 of this chapter.

(d) The Director shall advise the applicant in writing of the reason(s) for any denial of a license renewal.

(e) When the City denies an application for renewal of a license, the applicant shall not be issued another license for one year from the date of denial. 779.11 LICENSE SUSPENSION.

(a) The City shall suspend a medical marijuana dispensary license for a period not to exceed 30 days if it determines that a licensee:

- (1) Has violated or is not in compliance with any section of this chapter; or
- (2) Has authorized or approved an employee's violation of or failure to comply with any section of this chapter, or as a result of the licensee's negligent failure to supervise either the premises of the medical marijuana dispensary or a medical marijuana dispensary has allowed an employee to violate or fail to comply with any section of this chapter.

(b) The City shall suspend a medical marijuana dispensary license for a period not to exceed 30 days if it determines that a licensee or his employee or agent has refused to allow an inspection of the licensed medical marijuana dispensary premises as authorized by this chapter.

(c) The Director shall advise the licensee in writing of the reason(s) for any suspension.

779.12 LICENSE REVOCATION.

(a) The City shall revoke a medical marijuana dispensary license if a cause of suspension under Section 779.11 of this chapter occurs and the license has been suspended two times within the preceding 12 months.

(b) The City shall revoke a medical marijuana dispensary license if it determines that:

- (1) A licensee gave false or misleading information in the material submitted during the application process;

(6) A licensee has been convicted of a specified criminal activity, as defined in Section 779.02 of this chapter, during the term of the license; or

(7) A licensee is delinquent in payment to the City, County, or State for any taxes or fees past due that were assessed or imposed in relation to any business.

(c) The Director shall advise the licensee in writing of the reason(s) for any revocation.

(d) When the City revokes a license, the licensee shall not be issued another license for one year from the date the revocation became effective. If the City finds, subsequent to revocation, that the basis for the revocation has been corrected or abated, the applicant may be granted a license if at least 90 days have elapsed since the date the revocation became effective.

779.13 APPEAL RIGHTS.

(a) Any denial, suspension, or revocation of a new or renewal license under this chapter may be appealed to the City of Lakewood Board of Zoning Appeals by written notice within 10 days of such denial, suspension or revocation. Unless the applicant requests a longer period, the Board of Zoning Appeals must hold a hearing on the appeal within 30 days and must issue a decision affirming or reversing the denial, suspension, or revocation within five days after the hearing.

(b) Any decision by the Board of Zoning Appeals shall be a final appealable order and the applicant or licensee may seek judicial review of such administrative action in any court of competent jurisdiction pursuant to general law.

(c) Any licensee lawfully operating a medical marijuana dispensary prior to the denial of a license renewal application, or the suspension or revocation of a license, may continue to operate said business during the pendency of an appeal of a decision rendered under this chapter to the Board of Zoning Appeals or to a court.

(d) In the event that an applicant for a new medical marijuana dispensary license seeks judicial review of the denial of a new license, there shall be no automatic stay of the denial.

779.14 TRANSFER OF LICENSE.

A medical marijuana dispensary license is not transferable from one licensee to another or from one location to another without the express written permission of the Director. Any purported transfer of a medical marijuana dispensary license without the express written permission of the Director shall automatically and immediately revoke that license.

Comment [KMB7]: These changes would permit transfers with the city's permission, as is the case under state law (which gives the state permission to approve a transfer).

(11) If, at any time, the licensee has a reasonable belief that an actual loss, theft or diversion of medical marijuana or currency worth or amounting to more than \$100.00 has occurred, the licensee shall immediately notify the Director, and in any event such notification shall be provided no later than 24 hours after discovery of the loss, theft or diversion.

(b) Except as otherwise provided in this paragraph, any person who violates subsection (a) hereof, or any person who operates a medical marijuana dispensary and permits a violation of subsection (a) hereof on the premises, shall be guilty of a misdemeanor of the third degree.
