

Lakewood Police Department Annual Report 2012

LAKEWOOD POLICE DEPARTMENT EXECUTIVE SUMMARY 2012

In review of the year 2012 the Lakewood Police Department; Public Safety Initiative continues to provide for an increasing level of safety to our residents. We have been very vigilant about increasing our visible presence on our streets and in our community. The increased efforts are showing positive results with decreases in several felonies along with violent crimes maintaining levels seen in 2011. The work of our Uniform Patrol Division I believe has a direct impact on these crimes and improves the quality of life in Lakewood. The presence of our officers and the aggressive enforcement of our ordinances reduce the opportunity, ability, and perception of success in committing these offenses.

Chief of Police**

Uniformed Division

Our Uniform Patrol Division continues to be the front line in our service to the community. The Officers in the Division have committed themselves to addressing the perceptions of safety by remaining visible in identified problem areas and increasing arrests across many levels. A substantial increase in traffic violation arrests by the Patrol Division exemplifies their visibility. Our goal of keeping Lakewood a safe community is supported by having no tolerance for those found breaking the law.

Training Division

Our Training Division continues to do an excellent job in handling many different functions for the Department. The Lakewood Police Department stands apart from many of our contemporaries in the amount and depth of the training we undertake every year. Appropriately training police officers is one of the most important and cost effective ways to provide quality service to our citizens and to provide insurance to the City that we have been properly prepared to do our duty.

Special Operations Unit

The officers assigned to the Special Operations Unit continued to work effectively with the youth of our community, whether in school or on our streets and parks. The Neighborhood Police Officers have been a very visible and positive presence in the community and have done exceptional work in keeping our citizens connected to the Lakewood Police Department.

Investigative Division

The Investigative Division remains committed to supporting the arrests made by the Patrol Division through the investigation, processing, and presenting of the cases to the appropriate courts. The benefits of the Detectives work is seen across all the Divisions but most notably the Jail where our population has been reduced due to the Detectives ability to swiftly complete their cases and transfer felons to the County Jail. This results in our ability to maintain our costs to operate the jail to a minimum, our costs were reduced by 2% in 2012.

Narcotics Unit

The important work done by the Narcotics Unit is a critical component of our overall strategy to addressing crime in Lakewood. A significant portion of our criminal activity is a direct result of illegal drug use. Having a dedicated Narcotics Unit is not a luxury for our community but a necessity. I believe that if we did not target this particular problem with the directed efforts of the Narcotics Unit the quality of life in Lakewood would be directly impacted.
