Subcommittee/Entity Responsible	Intervention	Planned Action
Governance	Resource guide	- Pilot a community resources guide that equips residents with crucial information about available service providers, programs, and support systems in Lakewood.
Housing	Education – landlords and homebuyers	- During mandatory training sessions, inform landlords about housing vouchers and their benefits. - Identify and collaborate with a suitable partner organization that can offer credit counseling and homeownership education to prospective homebuyers.
Housing	Code enforcement	- Identify and prioritize the most significant regulatory barriers hindering affordable housing development. - Begin the process of updating the Zoning Code by engaging stakeholders and conducting a comprehensive review of existing regulations. - Allocate resources and establish a timeline for implementing the Housing Forward Initiative and Rental Housing License Program to lay the groundwork for improved housing quality and tenant protection.
Community Information Strategy	Resource guide	- Convene as necessary to offer direction and work collaboratively on creating the resource guide.
Out of School Time/ Enrichment	Opportunities for children with disabilities	- Establish a regular meeting schedule for adaptive and inclusive providers to collaborate on developing new programs. - Implement ongoing disability awareness and competency training for all programming staff in the community to better serve individuals with disabilities.
Out of School Time/ Enrichment	Extracurricular activities for middle school students.	- Schedule regular meetings with partner organizations that serve middle school students to facilitate collaboration on program development. - Use these meetings as a platform for sharing resources and best practices among the participating organizations to enhance the

		quality and effectiveness of programs for middle school students.
Food Access	Free/reduced lunch enrollment	Work collaboratively with Lakewood City Schools to develop and implement strategies that maximize enrollment in the free/reduced lunch program.
Food Access	Summer food program	- Vet and compile information on summer food programs to complement the resource guide. - Create and distribute informational materials about summer food programs for broad community dissemination.
Access to Behavioral Health	Health care providers round table	- Organize a quarterly roundtable meeting for local health care providers to facilitate ongoing collaboration and communication.
Access to Behavioral Health	Co-responders program	- Research and analyze best practices and insights from relevant sources to assess the viability of the proposed program. - Evaluate the potential benefits of the program for residents based on the findings from the investigation to determine if it should be implemented.
