IV. New Business:

1. Review and certify the September 2026 Police Officer Entry-Level Eligible List, scheduled to expire on January 15, 2027, and having the option to extend the eligible list up to September 15, 2027. In accordance with Civil Service Commission Rules and Regulations, Article 5, Section 502C.

   James Motylewski gave a brief run down, stating there were a total of forty-nine (49) applicants who submitted scores through the National Test Network. However, three of those applicants failed to upload or provide the minimum required documents (copy of their valid driver's license and copy of their high school diploma and/or transcripts). This left a total of 46 applicants who were placed on the eligible list.

   Commissioner Mills did note a typo on the date the exam was administered on the eligible list submitted to the commission. This was corrected. There were no further questions.

Motion by John Mills, second by Terry Vincent, to certify the September 2026 Police Officer Entry-Level Eligible List, scheduled to expire on January 15, 2027, and having the option to extend the eligible list up to September 15, 2027. In accordance with Article 5, Section 502C.
